QUALITY POLICY

Forrest Logistics is committed to being a leading provider of transport and total logistic solutions, and providing our customers with:

- a competitive advantage through our personalised service
- attention to detail
- competitive pricing, and
- specialist expertise in the transport industry.

Innovation and technology will drive our business forward to deliver a cost effective service to our clients.

Forrest Logistics is committed to strive for continuous improvement in service quality, safety and systems of work throughout all aspects of its operations. We will fulfil the expectations of our stakeholders, by providing our clients with outstanding service, consistently exceeding expectations and in a manner that secures future business and economic growth.

This Quality Policy, as well as other Forrest Logistics s systems, provides the framework for planning, implementing and assessing work performed. These management systems are supported, where applicable, by operating procedures that define in detail how each element of the system is implemented, maintained and improved.

The company will continue to set objectives and strive to accomplish these goals. Forrest Logistics will conduct its operations in conformance with, or to exceed, all applicable laws and regulations of the jurisdictions in which we do business.

Forrest Logistics is committed to producing excellence beyond our customers' expectations by utilising the following principles:

- **Integrity**
Honest, ethical dealings within the letter and spirit of the law
- **Innovation**
Developing leading edge integrated logistical (transport and distribution) supply chain solutions
- **Training and Recruitment**
Developing and retaining an optimal workforce
- **Team Work**
Ensuring our employees are motivated, united and have the skills to work effectively with all parties
- **Systems**
Maintaining practical, user friendly systems and ensuring their effective ongoing use
- **Continuous Improvement**
Consistently striving for exceptional service levels that ensure we are at the forefront of our industry.
